

## **AGUSTO & CO Releases Industry Reports for Real Estate, Telecoms and 6 other Industries**

Agusto & Co., the nation's leading source of business information, has released its industry reports on the real estate, telecoms and six other sectors including pharmaceuticals, Soft Drinks, Food & Beverage, Construction, Fast Food and Microfinance.

Each report highlights the market size by revenue of the sector, key players, risks as well as the financial condition. Each report is concluded by assigning a rating to the industry being reported on.

With an estimated market size by revenue of N1.1trillion representing a 12% growth, Agusto assigned a Bbb rating to the nation's real estate industry. This implies that the industry is operating in a moderate to high risk environment. With strong economic fundamentals, adverse changes in economic conditions will increase industry risks moderately. The Real Estate industry report is the 3<sup>rd</sup> successive edition.

The Telecoms industry report tracked the industry's performance from various perspectives. It showed that the industry recorded a total revenue of N1 trillion representing a 28% increase over prior year. Agusto assigned a Bbb rating to the Nigerian telecoms Industry. The just released telecoms report is the 6<sup>th</sup> successive edition.
